Work Experience

Covid Screener

Dean Foods Company - De Pere, WI

October 2020 to Present

Ensure employees along with any outside contractors, delivery people fill out screening forms with printed name so that it is legible make sure they sign their signature. Along with answering all questions with the appropriate and answers before they are allowed to enter the facility at any other door. Having to send people home due to symptoms, Covid-19 tests on employees as well. I have built a very good rapport with the plant managers and supervisors and the employees I pretty much get them to smile 😊 even if they're a little crabby to be at work LOLI will enjoy it but I just need more hours a lot more hours
