Dedicated and patient focus registered nurse who excels at quick responsive decision-making in a fast-paced patient care setting. Skilled at coordinating care and overseeing patient treatment plans. Looking for an opportunity to work in a compassionate atmosphere that gives the prospect to emphasize on attaining the best patient outcome.

Authorized to work in the US for any employer

Work Experience

ER Nurse

Memorial Hermann Greater Heights Hospital

2015 to Present

Assessed patients and prioritized care. Manage multiple critically ill patients; efficiently and knowledgeably provided care. Documented assessment, care plans, and outcomes. Provided information and support to patients and family members regarding condition and plans. At times precept new graduate hires.

ER Nurse, Signature Care

- Worked in a fast-paced facility, had one-on-one time with collaboration team to determine patient's care, evaluate care of plan, managed ER patients and observation patients, did phlebotomy and performed general and critical lab tests.

ER Nurse

Lyndon B. Johnson Hospital

2017 to 2018

Assist in the development, implementation, and evaluation of a quality plan, which is multi disciplinary and focused on patients' outcomes. Managing the care of patients experiencing life-threatening problems requiring complex assessment, high intensity therapies and interventions. Reacted efficiently in emergency scenarios, demonstrating sound decision-making.
