## Professional Experience

### ICU Nurse, Advent Health Orlando

June 2021-August 2021

*Winter Park, FL*

- Cared for critically ill patients in a 20-bed ICU through skilled, timely, and level-headed nursing interventions to improve patient health status.
- Assessed and managed various patient treatments for numerous patient diagnoses including sepsis and respiratory failure.
- Monitored patient condition, including interpreting EKG readings, titrating and tapering drips, and assessing proper ventilation.

### IMCU Nurse, Jackson Memorial Hospital

September 2020-October 2020

*Miami, FL*

- Provided patient focused care in surgical stepdown unit through thorough assessment, IV med administration, wound and dressing changes for 3-4 patients per shift.
- Closely monitored acute conditions and collaborated with interdisciplinary team to implement interventions to optimize and maintain hemodynamic stability
- Monitored and maintained ventilated patients, tracheostomies, arterial lines, central lines and chest tubes.
- Responded promptly to Code Blue and Rescue Alerts and implemented life-saving measures with a team to manage and improve patient deterioration.

### ICU Nurse, Memorial Healthcare System

March 2020-April 2021

*Miramar, FL*

- Performed targeted patient care and treatment on critically ill patients in a 20-bed ICU through frequent assessments, med administration, and quick intervention on patient changes in status.
- Worked with intubated and ventilated patients, monitoring, reporting, and intervening on patient conditions to maintain hemodynamic stability.
- Informed and educated patients and caregivers on diagnoses, disease management, medications, and preventative measures to encourage improved patient outcomes.
- Maintained stringent hygiene standards, patient safety, care standards, and confidentiality according to both unit and hospital policy
- Responsible for administration and titration of critical drips such as sedatives, vasoactive agents, thrombolytics, antiarrhythmics, and insulin drips.
