# Bella Nygaard

## PROFILE

I am currently a straight A student completing my Senior year of high school. I have been employed throughout most of my high school career and attended Fox Valley Technical College in 2020 to be apart of the CNA program where I became certified. I have one semester left of High School with flexible hours due to a hybrid school schedule and having every other day off.

## EXPERIENCE

### BABYSITTING – 2013 - CURRENT

I babysit frequently for neighbors and family friends whenever parents are in need of a night out, and, especially now, during times of covid when kids are being quarantined. I help the kids with their homework along with cooking and caring for them and do other duties around the house

### HEALTH CARE WORK, DOMINICAN REPUBLIC – 2018 - 2018

I traveled to the Dominican Republic for a month in 2018 where I provided equipment and medical care to the less fortunate. I gave vitals (BP, pulse, blood sugars), changed ulcer bandages and provided emotional care to patients as well.

### BAGGER, FESTIVAL FOODS; OSHKOSH, WISCONSIN – JUNE 2019 - NOVEMBER 2019

As soon as I turned 16 and obtained a drivers license, I applied to work at Festival Foods for a beginning working experience where I bagged groceries and practiced my customer service skills.

### EMPLOYMENT AT THE LANDING; MAY 2020 - CURRENT

I currently am employed at The Landing, a bar, boat gas station, and resort, as a part time job. My duties include cleaning the motel rooms, filling up boats with gas in the summer, and whatever miscellaneous duties that the owner asks of me.

## EDUCATION

Winneconne High School - September 2017 - May 2021

Fox Valley Technical College - September 2020 - December 2020

## SKILLS

- CNA certified as of 1/18/21
