Work Experience

ER Nurse

St. Dominic Hospital

2016 to Present

Cardiac Nurse

3 South Cardiac at Baptist Health Systems - Jackson, MS

2016 to 2017

Help provide individualized nursing care to cardiac patients and medical surgical patients.

Student Nurse Technician

IV starts

2011 to 2013

As a nurse tech, I can perform skills such as urinary catheterization, NG tube placement, sterile dressing changes, IV starts, and discontinuing IV's, NGT's, & catheters. However, most of these additional nursing skills

I'm allowed to perform are under the direct supervision of an RN. I have learned to be pro-active and eager to learn as many skills as possible to be more confident on working on the hospital floor.
