## Work Experience

---

### **Registered Nurse (RN)**

Providence Medical Center - Portland, OR

April 1978 to April 2019

ICU is where I started my career at PPMC. Recruited for Surgical Services PACU, I remained there as a staff nurse, AHN, and Charge Nurse for 38 years. I held Critical Care Registered Nurse certification for 36 years. After being awarded a scholarship for a Masters of Science Clinical Nurse Leader degree at University of Portland, I held the CNL certification for 10 years. The CNL certification and education focus on patient care at the bedside or point of care, Patient Quality and Safety, and is a generalist role in problem solving. With the CNL role I served as a Volunteer Board Member on the Oregon Patient Safety Commission for 5 years, from 2010-2015, representing all RNs in the state of Oregon on Oregon's patient safety issues. I held a Level IV expert level of practice on the Clinical Ladder at PPMC for 19 years.

### **Staff RN**
