Work Experience

RN MDS Coordinator

Good Samaritan Society - Canton, SD

May 2019 to November 2021

As an MDS coordinator (Minimal Data Set) I was responsible for gathering information on a healthcare facility's current and future patients for future assessment, including physical and mental states. ... An MDS coordinator usually works in a nursing home or other healthcare facility. I served on the IDT and worked on the floor as a charge nurse

RN OR Circulator

St. Luke's UnityPoint Hospital - Sioux City, IA

September 2015 to May 2019

As the circulating nurse I was responsible for managing all nursing care within the operating room, observing the surgical team from a broad perspective, and assisting the team to create and maintain a safe, comfortable environment for the patient's surgery. I had on call house and served on quality assurance committee as well

RN Charge Nurse

Wakonda Heritage Manor - Wakonda, SD

June 2009 to May 2015

As a charge nurse I was responsible for Record patients' medical records and monitor vital signs along with other required assessments and charting during my shift. Supervising nursing staff and monitoring their needs. ... Overseeing patient admissions, transfers, and discharges. Mentoring and training new staff and providing support and guidance to all staff members.

RN Charge Nurse

Bethesda Long Term Care Facility - Beresford, SD

October 2008 to May 2009

Record patients' medical records and monitor vital signs and charting requirements and assessments during my shift. Supervising nursing staff and monitoring their needs. ... Overseeing patient admissions, transfers, and discharges. Mentoring and training new staff and providing support and guidance to all staff members.

Clinic RN

Sanford Health - Sioux Falls, SD

May 2007 to October 2008

As a clinic nurse I provided patient care in medical clinics. I assisted to aid patients from the moment they enter the clinic by collecting patient information, supporting patient evaluation, administering

treatments and medications as needed, and educating patients. I worked in family practice and pulmonary medicine...
