## PROFESSIONAL HISTORY

BSA Amarillo, Texas, Krucial Staffing | 2020 to 2021

### ICU/ER RN/COVID UNIT/CCU RN

Swiftly responded to critical codes coordinating the stabilization treatments to restore vital functions. Tracked patient progress by interpreting EKG readings, identifying irregular telemetry readings, and updating team members on changes in stability or acuity. Delivered age-appropriate care for adults, adolescents, and geriatric ICU patients.

Baptist Health Little Rock, Aya Healthcare Agency | 2020 to 2020

### ICU/ COVID UNIT/ CCU/ RN

Coordinated with physicians to quickly assess Covid-19 patients and deliver appropriate treatment while managing rapidly changing conditions. Monitored patient respiratory status and ventilator operation adjusting for stabilization. Protected critically ill patients from unnecessary risks by limiting visitors and using proper PPE and strong infection control procedures.

Baptist Health, South Florida | 2018 to 2020

### ED/ ICU/ RN

Distinguished between normal and abnormal developmental and age-related physiological and behavioral changes in acute, critical, and chronic illnesses. Managed patient's pain relief and sedation by providing pharmacological and non-pharmacological interventions, monitoring patients' reactions, and modifying as needed. Performed emergency medical procedures such as ALS, BCLS along with other stabilizing interventions.

Plantation General Hospital | 2015 to 2018

### Charge RN ER

Maintained direct responsibility for providing comprehensive and quality nursing care including assessments, planning, implementation, and evaluation. Assisted with examinations and various procedures, performed tests, administered medications, and observed, evaluated, reported, and documented any changes in the patient's condition.

Parallon Staffing and Recruiting Services

Holy Cross Hospital, Plantation General Hospital and Aventura Hospital | 2015 to 2016

### ED RN

Performed assessments of acutely ill patients from neonates through geriatrics. Worked closely with hospital professionals in treating and stabilizing patients for discharge, transfer, or admission. Enhanced the quality of care for patients with acute and chronic illness by conducting regular discharge teachings.

Trinitas Hospital | 2014 to 2015

### ED RN

Offered exemplary patient care to all patients in a highly-intensity, diverse clinical setting under the direct supervision of an emergency medicine provider. Oversaw the care of pediatric, adults, and elderly patients including triaging, evaluating, and ordering appropriate laboratory tests,

diagnostic imaging, medication, and interventions within the nursing protocol in an emergency room setting. Incorporated holistic care using evidence-based practice, research studies, technology, and multidisciplinary team approach to optimize patient outcomes.

St. Joseph's Hospital of Wayne | 2012 to 2014

**Registered Nurse**

Collaborated with the head nurse in planning and evaluating all nursing activities for the nursing unit improving patient care. Accountable for total patient care, including medications, orders, assessments, treatment, and individual patient care plans. Adhered to all regulatory guidelines keeping accurate patient clinical records. Assisted the physician with procedures and treatments along with administering sterile procedures.

St. Michaels Medical Center | 2010 to 2014

**Agency Nurse**

Independently maintained safe and effective care to patient with different acuity levels in a time-restricted and demanding environment. Constantly communicated and collaborated with physicians and other healthcare professionals to ensure optimal care. Decisively and confidently made judgements on patient conditions based on vital signs, patient presentation, and initial assessment. Worked efficiently in high stress situations making certain patients were treated with dignity and respect.

Newark Beth Israel Medical Center | 2010 to 2011

**PEDS ED RN**

Collaborated with ancillary staff in formulating a comprehensive individualized plan of care to stabilize symptoms of mental illness and assist the patient in gaining insight and knowledge of the legal process. Created an environment known as the "safe haven" for victims of abuse and mental illness. Joined forces with external and internal agencies to ensure the safety of the child with their current guardian. Administered STD treatment and educated clients on preventative measures. Won over the trust of patients suffering from sickle cell and hemophiliac diseases offering consistent care.

NJ Doc | 2009 to 2010

**RN Staff Nurse**

Facilitated appointments with physicians for routine physicals, call backs, and sick calls. Calmly handled all codes through fax and telephone.

Morristown Memorial Hospital | 2007 to 2010

**RN Staff Nurse**

Facilitated admissions and transfers, chart/care plan note preparation, and interdisciplinary team participation. Leveraged compassion in facilitating pain management and completing prescribed treatments and reassessing effectiveness of therapy. Merged empathy and strong interpersonal skills by ensuring both physical and emotional needs of patients and families were maintained. Appointed to carry out TNCC and ENPC duties as a trauma RN.

Mountainside Hospital | 2004 to 2010

**RN Float Pool**

Initiated IV therapy to include antibiotic therapy and pain management. Maintained central line activity, redressed subclavian, portacath, picc, and other central lines utilizing sterile techniques. Educated postoperative cardiovascular rehabilitation activities to the patient such as postoperative home care needs, necessary changes in diet, nutrition, and exercise to improve heart health.

**EDUCATION, LICENSE, AND CERTIFICATIONS**
