Sales Associate

I've worked here since last May as a sales associate working to help customers achieve their highest form of satisfaction while shopping. I have gotten two small promotions while working there. I also took time off to focus on my CNA course to make CNA my top priority as healthcare is the field i want to go into.

Customer Service

Pet Supplies Plus - Howard, WI

June 2019 to December 2019

When I first started working at PSP I went around changing tags whenever we had a price change or a sale change. I have experience in cash handling. I did unloading of orders we got shipped in. Helped customers find what they were looking for, went around facing everything, and helped take care of the pets we sold there.
