Work Experience

Recovery Room Nurse and Critical Care

Dignity Health - Santa Maria, CA

September 2010 to Present

Management of the critical care patient.

Equipped patients with tools and knowledge needed for speedy and sustained recovery.

Administered medications and treatment to patients and monitored responses while working with healthcare teams to adjust care plans.

Partnered with physicians, social workers, activity therapists, nutritionists and case managers to develop and implement individualized care plans and documented all patient interactions and interventions in electronic charting systems.

Monitored patient condition, including interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.

Quickly responded to situations impacting safety and security to unit, actualizing crisis prevention interventions to control and de-escalate situations.

Registered Nurse

Maxim Healthcare - San Luis Obispo, CA

June 2004 to May 2010

Assessed and managed various patient treatments for numerous patient diagnoses from sepsis to acute respiratory distress

Registered Nurse, ICU

Good Samaritan Hospital - Los Angeles, CA

February 2002 to April 2004

Guided patients, caregivers and family members on plans of treatment and helpful resources available locally to support care

Guided and educated patients and caregivers on diagnoses, disease management, preventative measures, medication use and self-care to foster consistency in care administration

Delivered outstanding patient care in critical care units

Oversaw various aspects of telemetry by administering PA catheters and arterials, vasoactive drugs, titration, thrombolytic therapy, dysrhythmia interpretation and chest tubes
