I am a sincere, loyal and dedicated individual who has a great deal of ambition. Although I have extensive experience in the nursing home industry, and medical assistant positions, I love to learn, and am always up to a challenge. I get along well with others, while also working efficiently on my own. I am seeking a position where I can develop and excel while giving my best to an employer.

Willing to relocate to: Bloomington, IL - Normal, IL - Peoria, IL

Authorized to work in the US for any employer
