## ESSENCE OF SELF

**Compassion  
Team Player  
Eager To Learn  
Professionalism  
Communication**

## PROFESSIONAL PROFILE

When your burning desire for success is greater than your deepest fear of failure, you can obtain anything in life. My life as a single mom taught me vital skills in multi-tasking and prioritization which is important in providing patient care. I have achieved success by getting my state license & I will continue to elevate to higher heights & be all that I know I can be!

## WORK EXPERIENCE

### **Cleveland Clinic # 1** – Cardiovascular/Surgical Intensive Care *Registered Nurse Nov 2020-Present*

- Manage equipment for cardiac telemetry, tracheotomies, chest tubes, pleurovacs, bi-pap, and c-pap machines, oxygen, trachea collars, humidified mask bi-nasal cannulas, CVVHD or CRRT, & IABP management
- Medication administration & maintenance of IV push and drips, including Aminophilline, Cardizem, Lidocaine, Digoxin, Verapamil, Levophed, Ketamine, Epinephrine, & Vassopressor

### **Holy Cross Hospital # 2** – *Intensive Care Unit Registered Nurse Feb 2020- Nov 2020*
