CAREER OBJECTIVE:

I have been an RN for over 22 years. Nursing is and has always been my passion. I am patient-focused and empathetic to the needs of my patients and their families. I have an extensive knowledge base and bring varied experience. I look forward to assisting any facility or organization during this trying time.

EDUCATION:

Mount Saint Mary College, Newburgh, N.Y.
Bachelor of Science in Nursing – December 1997

HONORS:

Member of Sigma Theta Tau International, December 1997.
Recipient of Spirit of Nursing Award sponsored by the Army Nurse Corps.

CERTIFICATIONS:

ACLS, BLS, NIHSS

WORK EXPERIENCE:

Crisis Response RN – GEMA Field Hospital at Navicent Health Med Ctr, Macon, GA
August 2020 – Present

Immediate deployment to COVID 19 Unit 26 bed trailer set up adjacent to main hospital. Duties include admission/discharge of pts to COVID unit. Working with ancillary departments, PT, OT, Respiratory and Discharge planning. Infection control education. Coordinated care with pts family in reference to home care, signs and symptoms to monitor and instructions for quarantine. Also floated to main hospital to assist on COVID units as needed.

Crisis Response RN – COVID-19 Testing Sites, Daytona/Jacksonville FL
May 2020 – August 2020

Immediate deployment to various COVID-19 Test sites in Florida. Duties included setting up test sites, collecting patient demographics and patient information. Performed COVID-19 nasopharyngeal test collection on patients at walk up sites in various locations. Prepared samples for the lab. Infection control education. Instructed patients on how and when to quarantine and signs/symptoms to monitor if exposed.

Crisis Response RN - COVID 19 – GWCC Field Hospital, Atlanta, GA
April 2020 – May 2020

Immediate deployment to Ga World Congress Center to assist with mobile hospital setup in response to current pandemic crisis. Duties include all RN responsibilities in care of COVID patients. Infection control education. Assist with facility setup.

Registered Nurse Telehealth – COVID 19 Remote Call Center – Fulton County
Board of Health
March 2020 – July 2020

Telephone triage for individuals believed to be symptomatic, exposed or have questions/concerns related to the Coronavirus. Assign individuals that meet the criteria a PUI number to continue on for COVID 19 testing at drive thru test centers. This was a remote work from home position.
