Objective

Looking for my next opportunity to care for the wonderfully diverse population of ICU patients!

Experience

- **Aya Healthcare** Jan 11 2021 - Current
Travel ICU Nurse
Worked at SSM St. Joseph Hospital in St. Charles Missouri. I was assigned to the ICU, but also worked the IMC/step down unit, Cardiac Tele, and Medical Tele floors.
- **American Mobile Network** Feb 28 2020 - Dec 7 2020
Travel ICU Nurse
Worked through this company for Mercy South in St. Louis Missouri. Occasionally worked progressive care and medical stepdown. Recovered fresh open heart patients and Covid patients while at this facility.
- **Travel Nurse Across America** Sep 3 2019 - Jan 23 2020
Travel Nurse ICU
Worked at Barnes Jewish Hospital from Sep until Dec. Here I worked a Vascular progressive care unit. Pulled to all medical floors and cardiac floors.. Worked at Saint Louis University from Dec through Jan. Pulled mostly to other ICUs.
- **Poplar Bluff Regional Medical Center** March 2014 - Aug 2019
SICU Staff RN
Primarily worked in the ICU. Occasionally floated to any unit including ER, Behavioral Health, Nursery, Women's Health, Rehab, Med/Surg, and Stepdown. For the last 3 years at this facility I was also ICU/SICU charge nurse.
- **Southeast Health** April 2013 - August 2013
Float Pool RN
Floated to ICU and all medical floors. This excluded mother/baby, ER, and Psych.
- **Southeast Correctional Center** Oct 2012 - April 2013
RN
Worked in the acute Healthcare ward of this maximum security prison. Provided wound care, medications, vaccinations, laboratory tests, and assessments to inmates.
- **Landmark Hospital** Dec 2007 - July 2012
Staff RN
This is an LTAC facility. Gained experience with extensive wound care, cardiac and sedating drips, trach's, and ventilators.

Education

- **Shawnee Community College** 2009
Associates Degree Nursing
- **Shawnee Community College** 2002
Licensed Practical Nurse

Skills

- ACLS- Expires Dec 2022
- BLS- Expires July 2022
- NIH- Expires Dec 2021
