Summary of Qualifications

- I have five years' experience at Wadley Regional Medical Center. I worked as transport, surgical tech, and a cna during my employment. These positions have been the foundation to my career. For the past six years, I have been a registered nurse in the emergency department at Christus St. Michael. Throughout the years, I have obtained the ability to care for patients in critical conditions. Frequently I am placed in the trauma zone of the department. I'm currently working prn at both Christus St. Michael and Signature Care Emergency Center
- With my experience from school and previous job positions, I feel confident in my ability to provide safe and effective care for individuals in the acute critical care setting.
