Work Experience

Registered Nurse, Labor and Delivery

Sutter Medical Center - Sacramento, CA

December 2020 to Present

Care for laboring mothers and their newborn babies.
Assist in natural, medicated, and operative deliveries.
Act as pre-op RN, circulator, and PACU RN for c-section deliveries.

Clinical Nurse II

Kaiser Permanente - Sacramento, CA

February 2020 to February 2021

Delivered exceptional patient care to cardiac patients in the hospital setting.

Clinical Nurse II

UC Davis Medical Center - Sacramento, CA

July 2019 to November 2020

N1 Adult Annex/Emergency Department

- Provide primary care nursing to 3-4 patients on a busy ED unit that cares for patients who have been stabilized in the ED and are waiting to be admitted to the floor.
- Conduct myself professionally at all times while providing the best patient care possible.

Clinical Nurse II

El Camino Hospital - Mountain View, CA

May 2016 to February 2018

Cardiac/Telemetry Unit

- Effectively managed the care of patients needing acute cardiac care monitoring. I safely cared for patient's suffering from acute MI's, CHF exacerbations and unstable arrhythmias, patients recovering from acute respiratory emergencies and requiring chest tube placement, as well as patients returning from open-heart surgery and percutaneous coronary interventions.

Clinical Nurse II

Dominican Hospital - Santa Cruz, CA

February 2015 to December 2016

Cardiac Care/Transitional Care Unit (TCU)

- Safely managed the care of 3-4 complex patients on a challenging cardiac step-down unit, specializing in the care of patients after open heart surgery, heart catheterization and stent placement, as well as pacemaker placement.

- Cared for patients with unstable cardiac rhythms, respiratory complications requiring astute respiratory monitoring, as well as patients being downgraded directly out of the ICU.

Clinical Nurse I/II

Scripps Memorial Hospital - Encinitas, CA
August 2013 to October 2014

Surgical-Acute & Telemetry Units

- Stood out amongst my peers as I successfully completed the highly rigorous, year-long new graduate residency program.
