

Hello

I'm Terri Dobbs, RN

911 Hwy 389
Houston, MS 38851
662-419-3499
tdobbs78@gmail.com

Skills

IV start/D/C, IV medication administration, documentation, wound care, foley cath insertion and d/c, po/im/sq administration, Physical assessments, education on new medication or new diagnosis, and many more skills.

I started my nursing career in Jan 2013 as a CLPN. I worked in the nursing home setting for 14 months caring for 25 patients. I then went to the clinic system and worked in many different settings from urgent care to primary care. Learning about medication that treat different medical diagnoses. I returned to school to further my education. I have constantly worked in the med surg area along with psychiatric nursing.
