Work Experience

Registered Nurse

Estates at Greeley

September 2001 to Present

Administration of Medications and treatments

Assess elder's needs for services and determine current physical and mental health status of elders

Assist in development of treatment plan for each elder and ensure the care strategy addresses the long term needs of the aging process

Oversee other care staff at all times, ensuring the plan of care is being carried through

Advocate for elders best interests and serve as an educator to caregivers, elders, and families

Work with other healthcare providers such as physicians and therapists to ensure high levels of quality care and services are being provided at all times.

Communicate any change in elder's condition to appropriate staff, health care providers, and family.

Staff RN

Monarch Healthcare Management - Stillwater, MN

September 2001 to Present

Phone Triage Nurse

HealthPartners - Inver Grove Heights, MN

January 1991 to December 2017

Provided evidence-based telephone triage nursing protocols and nursing expertise and judgment to provide guidance to a wide range of care concerns; from pediatrics to geriatrics, OB questions to critical care, and beyond. Used excellent communication skills and the ability to convey compassion and technical expertise over the telephone. I was responsible for and given necessary authority to provide nursing services via telephone, according to HealthPartners CareLine philosophy, policies and procedures. Teamwork was the norm and made our work more effective as team members. EPIC trained.

Education

Associate in Nursing

Inver Hills Community College - Inver Grove Heights, MN

September 1982 to June 1984

Associate in Nursing
