### **Registered Nurse (RN)**

Med-Call Healthcare, Inc - Chicago, IL

December 2020 to Present

My main duties include practicing within the scope of practice for a Registered Nurse. I am working on a med-surg and telemetry unit and a critical care unit with a list of pts. with a need of intermediate level nursing care, e.g, tracheostomy care, tube and peg feedings, infection control( covid-19) and post-surgery pain and wound management.

### **Registered Nurse**

Maximum Healthcare Solution

December 2018 to December 2020

My main duties include practicing within the scope of practice for a Registered Nurse. With that in mind, I work with pediatric patients who've had T.B.I's to patients who have experienced developmental delays. That said, I administer medications per the patient's care plan, prevent infection and provide education to family members and/or trained caregivers.

### **Caregiver**

Great Paragon Healthcare

May 2015 to May 2020

My main duties include helping patients complete tasks they would normally be able to do but could not due to a certain medical condition. Those tasks include running errands, helping them bathe, feeding and preparing meals for them and cleaning their homes.
