Work Experience

Resident Care Director

Sunrise Senior Living - Naperville, IL

September 2019 to November 2020

- Provided care through the use of a holistic approach to the health and wellness of a geriatric population.
- Served as a clinical leader and collaborated with other leaders to meet the comprehensive health care needs of residents in a community setting.
- Provided clinical care through the direct application of the nursing process; performed and documented resident assessments, completed Individualized Service Plans, provided or delegated hands-on clinical care and evaluated resident outcomes.
- Coordinated with physicians, select preferred providers and Sunrise team members to champion an integrated approach to resident care and promote positive clinical outcomes.
- Hire, train, educate, manage, direct, and monitor the nursing team.
- Led the clinical quality and process-improvement efforts through the tracking, trending and evaluating of clinical data to recognize clinical excellence and identify areas of opportunity.

RN

Terra Vista - Oakbrook Terrace, IL

February 2019 to September 2019

- Completed evaluations and assessments for incoming residents to determine the level of care needed and develop a care plan.
- Coordinated admissions with outside and house physicians, obtained orders and updated chart and care plan.
- Educated resident and family on all ordered medications and therapies.
- Pharmacy Liaison
- Coordinated physician, dental, physical/occupational therapy, home-health, palliative and hospice visits.
- Risk watch / IDPH reporting
- Evaluating regulations as it would pertain to the facility, implementing changes and educating with in-services as needed.

LPN

Saratoga Grove Assisted Living Community Memory Care

May 2018 to February 2019

- Administered medication and treatments according to facility policy and state regulations.
- Implemented personalized plans of care for each resident based on their needs.
- Supervised certified nurse's assistants and provided counseling as needed.
- Monitored resident responses to any treatment or medication and communicated responses in patient chart and staff handover.

- Order, interpret, and evaluate diagnostic tests to identify and assess patient's condition
- Modify patient treatment plans as indicated by patients' responses and conditions.

Advocate Good Samaritan Hospital

PCT Critical Care

May 2017 to May 2018

- Planned and performed general patient care as directed by RN.
- Displayed strong clinical skills when assessing vital signs and glucose checks.
- Assisted patients with activities of daily living including helping with meals, transferring using assistive devices, bathing, dressing, and grooming.
- Completed specimen collection.
- Ensured the accurate and timely flow of information by maintaining thorough patient records and updating health care team on patients' status.
- Performed receptionist duties as assigned.
- ECG trained

Internal Contact Support Center Representative Technology & Operations

BMO Harris Bank

May 2013 to January 2015

- Acted as a subject matter expert, guiding internal staff on what steps to take given a situation.
- Answered questions and gave guidance on policy, procedure and regulation. Each situation being unique, I gave clear direction on how to proceed with processing the customer request.
- Extensive knowledge in retail/commercial accounts, retail /commercial /mortgage loans, and IRA/retirement accounts.

Senior Personal Banker

BMO Harris Bank - Lombard, IL

October 2009 to May 2013

- Developed, maintained and supported the sale of banking products and services by generating and following up on leads. Worked with prospective and existing customers to assess potential overall banking needs.
- Identify and sell or refer appropriate banking products based on strategic analysis of customer financial needs after conducting an in-depth customer needs assessment. Delivered clarity to customers by providing simplicity, guidance, and know-how.
- Exceeded current sales revenue goals by selling and cross-selling bank products and services to retail and small business customers that satisfy the financial needs and goals of the customer.
- Coached and developed the Service Representative Team to ensure desired number of qualified sales referrals is achieved; provide product update and just-in-time training during branch huddles.
