Work Experience

Lpn

LAKE COUNTRY HEALTH AND REHABILITATION - Oconomowoc, WI

November 2010 to May 2021

Lpn initially on rehab unit for approximately first 2 years there, then transferred to LTC unit. Managed care of 26 residents and 2-3 Cna's. Duties included but not limited to: admissions, medication pass, treatments, processing orders, managing change of conditions, incidents, quarterly assessments and routine charting. Past year or so- along with my unit- I had additional unit I was responsible for managing patients and overseeing med tech.

Lpn

Three Pillars Senior Living Communities - Dousman, WI

October 2019 to December 2019

Float pool Lpn on LTC unit of approximately 23 residents. I was responsible for passing medications , doing treatments, monitoring for changes in resident's condition, supervising cna's, communicating with supervisors, providers, co-workers , residents and their families.
