Work Experience

LPN

Shelbyville Manor

November 2016 to Present

As an LPN at Shelbyville Manor I have worked 12 hrs shifts 6P-6A. I am responsible for patient care of long term care patients and bounce back patients. Our bounce back patients are usually there for a short stay for therapy following surgery. Overall responsibilities include medication administration, dressing changes and treatment applications, providing patient care, supervising and working closely with CNA's. Also, completing admissions and discharges and communicating with doctors about patient condition.

Education

LPN in Nursing

Lakeland Community College - Mattoon, IL
