### **LPN**

Franklin Grove Living & Rehabilitation - Franklin Grove, IL

July 2014 to Present

I am currently working as an LPN in a long term/short term/rehab living facility with mainly geriatric residents. My duties consist of taking vitals, administering oral medication as well as injections sub Q to IM. I assess basic condition of every resident every shift and as needed daily with at times up to 40 residents on my MAR. I communicate between POA, PCP as well as resident in regard to current condition. I treat wounds, take and change medication orders from PCPs and I also perform all CNA duties as needed. I also have experience with IV lines. I have given immunizations and monitor for side effects. I have worked with PPE as well as throughout the COVID pandemic. I have experience with admissions, body checks, lab and XRay orders, end of life care/ hospice and ordering medication.
