## WORK & VOLUNTEER EXPERIENCE

---

### **Crossover Health: Lead Nurse & Clinical Care Coordinator - CA & NY**

**2015 - Current**

- As the Lead RN, played a key role in the launch of Crossover Health's first multidisciplinary clinic in California. Two years later, transferred to NYC to launch the first east coast clinic.
- Essential part of the collaborative patient care team providing general triage, preventative, urgent and ongoing care to a diverse population while demonstrating servant leadership
- Facilitate all training and on-boarding of new nurses
- Perform care management by connecting patients with specialists and following up to ensure patients are getting the care they need
- Conduct screenings for vaccine-preventable diseases and administer primary care and travel-related immunizations as well as patient education

### **Stanford Medicine - Redwood City, CA**

**2015**

- Clinical Research Nurse Coordinator at the Stanford Center for Sleep Medicine
- Responsible for overseeing the care of nearly 2,000 patients enrolled in current clinical trials
- Managed a multi-disciplinary team responsible for the assessment, organization and implementation of new approaches in coordinated-care management and patient-centered outcomes within sleep medicine

### **Health Advocate - San Francisco, CA**

**2014 - 2015**

- Contracted to provide on-site healthcare solutions for major corporations
- Responsible for the management and execution of Biometric Screenings, Wellness Coaching, Risk Assessment and Flu Shots in highly professional and corporate settings

### **Pregnancy Resource Center - Santa Cruz, CA**

**2014 - 2015**

### **Santa Cruz Women's Health Center - Santa Cruz, CA**

**2012 - 2014**

- Implemented a "Diabetes Management Project" to improve treatment approaches and better meet the health care needs for this unique population in Santa Cruz
- Identified high-risk cases and lapses in care while promoting patient-specific follow-up
- Managed the pediatric immunization records to ensure all patients met CA requirements

### **International Camp Nurse - Brandenburg, Germany**

**Summer 2011**

- Directed the medical care of several hundred German students and staff at the camp
- Provided primary care, urgent and emergency care, as well as mental health care, family planning, first aid training and sexual education

### **Medical Intern - Eldoret, Kenya**

**Summer 2010**

- Served as a medical intern under the supervision of an American Nurse-Practitioner
- Administered care for a wide range of clinical cases that included infectious disease, TB, HIV/AIDS, trauma, obstetrics, pediatrics, hospice and exotic disease
- Facilitated seminars alongside Kenyan social workers to provide education about family planning, disease prevention, nutrition and health promotion
