

ANNA BURTON, RN, BSN

3457 Clark Rd. #156, Sarasota, FL 34231

SKILLS

- Handles problems through collaboration with other staff members, intravenous therapy experience, proficient in EPIC charting, leads any work team in a humble manner, ability to handle and stay calm in a face-paced environment, provides high-quality patient care and patient safety to 4-5+ patients

EXPERIENCE

Registered Nurse | Providence Sacred Heart Medical Center Surgical Floor | Spokane, WA | Oct. 2019-Nov. 2020

Managed the transition of patients coming from colorectal, urological, gynecological, and vascular surgeries to becoming post-operative patients. Received recognition from several patients with my goal of bringing the highest of quality care to all patients. Managed 4-5 patients on the 36-bed surgical unit. Directed and supervised CNAs. Mentored nursing students to ensure they were on a successful path in their career.

EDUCATION

Bachelor of Science in Nursing | February 2021 | Western Governors University

Completed my BSN within 3 months & received an excellence award for success in my educational path.

Associates Degree in Nursing | August 2019 | Spokane Community College

Received a 3.91 GPA. Named as a recurring student on the President's Honor Roll each quarter.
