Work Experience

Director of Nursing

LIFE CHOICES UNLIMITED - Edinburg, TX

April 2019 to Present

Director of Nurses for a long term care facility and HCS program provider. Responsibilities include providing nursing care and healthcare related management for over 100 clients valley wide. I also serve as the RN that performs state required client assessments and delegation/training of unlicensed personnel for the entire case load. I also supervise all the company's nurses in five different regions which also includes performing payroll tasks for the company. I am also responsible for oversight and quality assurance of all nursing services and billing. I also provide oversight to all community clients and employees. I am also responsible to respond to all client needs and incidents that occur after hours/on-call.

RN Staff Nurse Med/Surg

Mission Regional Medical - Mission, TX

January 2017 to July 2019

I fulfilled the role of prn Staff RN (PRN charge nurse), with the responsibility of supervising a 24 bed Medical/Surgical acute care adult unit. Aside from the care of my own patient load of 5-8 patients, I supervised 2 - 3 nurses' assistants. I evaluated staffing requirements and organized floor assignments as needed to assist the charge nurse.

Director of Nurses and Case Manager

VAMOS HOME HEALTH

February 2017 to April 2018

As Director of Nurses and case manager I oversaw, managed, directed and coordinated the care for the entire patient load including both nursing and office staff. I also performed case management duties for the entire census. I collected OASIS data in the field, establish plan of care, supervise vocational nurses. I perform chart audits for compliance. I ran weekly case conference, provided educational materials/training for field nurses and coordinate care with the multidisciplinary team for optimal client outcomes. As Director of Nursing, it is also my duty to assure compliance with state regulations.

Staff RN - Rehabilitation

MISSION REGIONAL MEDICAL CENTER - Mission, TX
June 2011 to January 2017

STAFF RN REHABILITATION UNIT

Responsible for the care of designated patient load which included utilization of all nursing skills, assessment, evaluation, formulation and implementation of an individualized nursing care plan. I coordinated with the multidisciplinary team which included: physical therapy, occupational therapy, speech therapy, social workers, case managers and physicians for optimal patient outcomes.

STAFF RN/ALTERNATING CHARGE RN

UHS INC/MCALLEN MEDICAL CENTER - McAllen, TX
January 2005 to June 2011

I fulfilled the role of Staff/Charge RN, with the responsibility of supervising a 34 bed Medical/Surgical/Oncology acute care adult unit. Aside from the care of my own patient load of 6-9 patients, I supervised 2 - 4 RN/LVN, 3 nurses' assistants and 1-unit clerk. I evaluated staffing requirements and organized floor assignments.
