

SARA HALLIGAN

178 Harvest Dr, Verona, PA 15147
412.944.9000. Shalligan980@gmail.com

Recognized as a competent team leader passionate about providing excellent direct patient care. Consistently demonstrates effective communication and collaboration within the interdisciplinary team. Utilizes critical thinking skills and professional nursing judgement to ensure desired patient care outcomes.

EXPERIENCE

2021- PRESENT

STAFF NURSE, UPMC PRESBYTERIAN CARDIOLOGY

Manages and provides patient care activities for a group of patients and their families through the application of independent judgment, communication, and collaboration with all team members. Encompasses the beginnings of leadership, partnership, collaboration, and supervision. Establishes and maintains collaborative relationships with physicians, other health care providers, and patients and their families, to achieve desired patient outcomes throughout the continuum of care. Demonstrates a commitment to the community and to the nursing profession.

2018 – 2020

ADVANCED PATIENT CARE TECHNICIAN, UPMC PRESBYTERIAN CARDIOLOGY

An essential partner in enhancing the patient experience with positivity and integrity. Providing personal care to patients with an emphasis on dignity and respect. Striving to make each patient feel as comfortable as possible during their hospital stay. Invaluable aiding to nurses and doctors on the floor by completing important skilled tasks such as checking vital signs and glucose levels, performing EKGs and blood draws, and much more.
