WORK EXPERIENCE

STAFF NURSE II / CHARGE NURSE / TELE NURSE

Kentfield Hospital San Francisco | Nov 2018 - Current

Primary floor nurse amongst an interprofessional healthcare team, providing acute care to patients with complex illness requiring aggressive interventions including extensive wound care, telemetry monitoring, and ventilator weaning.

- Completion of High Observation Unit (HOU) training, provider of higher level care to critically ill patients requiring close hemodynamic monitoring and titration of critical IV drips including vasoactive, anti-arrhythmic, anti-coagulant, and sedative medications.
- Assist in the training of new staff nurses and support hospital's vision and mission by serving as a preceptor.
- Respond to medical emergencies as a member of the code blue and rapid response team.
- Develop and execute patient-specific nursing care plans in order to set goals, promote functioning, and evaluate progression to a safe discharge.
- Oversee daily functioning of unit while supervising floor nurses when working as charge nurse as part of the leadership team.
