Work Experience

LPN (Licensed Practical Nurse)

Aveanna Healthcare - Alton, IL

January 2021 to Present

I took care of a pediatric patient on a ventilator, 100% oxygen, a tracheostomy tube and a gastrostomy tube. I took vitals, charted, did trach care and gave medications and feeding through the patients gastrostomy tube, I also changed the patients diaper to keep the patient clean and dry, I did the patients physical therapy everyday and all ADLS as the patient could not do them. The patient was 100% dependent on nursing care as the patient was paralyzed fully.

LPN (Licensed Practical Nurse)

NeuroResorative - Carbondale, IL

August 2019 to January 2021

I worked with traumatic brain injury patients on a daily basis. I took vitals, gave medications, did wound treatments, provided tube feedings and did assessments of patients. I also was an advocate for every patient when they could not advocate for themselves. I also took place in Covid testing patients and also working with patients that tested positive for covid.
