Work Experience

LPN (Licensed Practical Nurse)

Wexford Health Sources, Inc. - Canton, IL

February 2016 to Present

I work at IRCC, currently as PRN after initially working the majority of my time as full time third shift, in search of a full time day shift position. Anything I found full-time would be my primary position, so there would be no complications with my PRN position, as it is a different shift, and I do not work a set schedule, only every so often.
