I have been in the medical field for fourteen years. Both on customer service and sales end of it. I love to work with and care for people. I believe my experience over the years would be a asset to your clinics. I do not mind traveling to where I am needed.

Authorized to work in the US for any employer

Work Experience

LPN (Licensed Practical Nurse)

Baywood Home Care - Saint Louis Park, MN

October 2019 to Present

Care for a quadriplegic. Medications wound care trach cares catheter care safety cleanliness

LPN Staff Nurse

Galtier - Saint Paul, MN

June 2016 to December 2019

I have confidence in my nursing skills and also know I have a lot to still learn. I care about people and want them feel safe and happy with the care I give. I have been a nurse for nine years and a cna for 12 before that so I understand the hands on care.
