## Additional Information

---

20+ yrs Experience as a Registered Nurse working with multidisciplinary teams, doctors and diverse patients. I can work autonomously and collaborate with the healthcare team while applying the nursing process. I am comfortable working with all age groups and cultures and being a leader in today's healthcare field. I have delegated duties to PCAs, Nursing assistants, LPNs, and other nurses. I am a responsible, caring professional. I have experience in assessing patients and hands-on care including; wound care, IV infusion, glucose monitoring, Blood transfusions, I/O monitoring, Urinary catheterizations, and medication administration.
