Work Experience

LPN (Licensed Practical Nurse)

Bellin Health Title town - LPN orthopedics Sports medicine

June 2020 to May 2021

At Bellin health, I worked directly under the hand surgeon assessing patients, taking vital signs, assisting with in office procedures, casting, splinting, calling patients with results and thinking critically to help those patients that needed to be seen in office sooner. Worked with the epic program to collect the patients data.

an Aurora Affiliate

715-735-4200 ext 4020 Jamie Plunger Riley: Assistant manager

I worked under the Rn while assisting the residents with their activities of daily living. This includes transfer assists, ambulation, bathing, feeding, and toileting schedules. I monitored heart rhythms and alerted the Doctor along with the nurse who had each patient when problems or changes in the rhythms with the patient that arose. I documented appropriately and in a timely manner while using very good communication skills.

10-04-2018-01-03-2019

Bellin Health

I worked as a PAR (Patient Administrative Representative)

The job was a temporary position where I checked in patients for their appointments, learned many insurances, collected copay's, and communicated well with my fellow coworkers and our providers.

Steadfast Service

Ground person and Flagger for hurricane Relief.

This is a temporary job to assist with cleaning up after Hurricane Michael. My duties are to rake, Drive the semi forward for the operator, keep traffic flowing and make sure the operator is out of dangerous situations with pedestrian's, lift logs and debris that is out of the operator's sight.

CNA - Certified Nursing Assistant

Rennes Health and Rehab facility - Peshtigo, WI

August 2011 to October 2014

I assisted the residents with their activities of daily living. This includes transfer assists, ambulation, bathing, feeding, and toileting schedules. While working there, I learned how to work with Alzheimer's residents. This was both a challenging and rewarding part of my job.

Activities Assistant

CNA, Iron River Care Center

2008 to 2011

My role there was to perform a cast array of activities for the residents while promoting sensory stimulation. I assisted with planning events and taking the residents to them. I also assisted the residents with their activities of daily living. This includes transfer assists, ambulation, bathing, feeding, and toileting schedules.

CNA - Certified Nursing Assistant

IRON COUNTY MEDICAL CARE FACILITY - Crystal Falls, MI

2005 to 2008

while assisting the residents with their activities of daily living. This includes transfer assists, ambulation, bathing, feeding, and toileting schedules.

CREW TRAINER

MC'DONALDS

2003 to 2005

My job was to promote customer satisfaction while training new employees the skills of customer service, cooking, and cleaning along with teaching them the company's policy to follow.
