## Work Experience

---

### **Old Navy Sales Associate**

Old Navy - Fridley, MN

January 2021 to May 2021

I work as a cashier, and sometimes on the sales floor. I am always adapting to new situations with each customer, and socializing. I help with returns, any questions, online orders, helping customer sign up for a credit card, getting them signed up for loyalties, and etc. I consider this customer service, because of my none stop communication and assistance to costumers.

### **Student**

Subway - Blaine, MN

June 2020 to September 2020

I am in honors and have been successful in several clubs. I have a high GPA, and I'm very close to being in honors A role and have surpassed honors B role. I have very good relationships with the principles and teachers. I also am surrounded by a great community of students and friends. I cute my have straight As and I'm taking 2 Aps courses. I've worked at subway, and that thought e so much about how to be in a working environment, and handling customers.
