Work Experience

OR Staff Nurse

USPI Memorial Hermann Surgery Center - The Woodlands, TX

October 2021 to Present

RN-CIRCULATING OR NURSE

- Circulating and scrub nurse within the operating room for all service lines.

Director of Surgical Services

Texas Orthopedic Hospital

March 2020 to October 2021

- Responsible for the oversight and growth of 98 employees while supporting departmental and hospital goals within a partly physician owned specialty facility.
- Engaged employees by creating an environment in which employees are compelled to commit to the organization while recognizing employee's specific achievements to build a high-performance culture.
- Proficient in preparing annual Capital, Operational, and FTE budgets.
- Oversaw the expansion of the Central Sterile Processing Department
- Currently preparing for the building and expansion of 10 new operating room suites.
- Ensured that Managers have access to professional development opportunities to increase competency levels, in conjunction with the organization's strategic plans.
- Worked diligently within the constraints of an ever-changing healthcare environment due to the COVID-19 pandemic, while consistently maintaining surgical volumes and revenue.
- Provided strategic and operational planning for staffing, fiscal, and material resources.
- Collaboration with physicians, anesthesia providers, infection and quality control departments while maintaining regulatory standards through compliance with all state and federal regulatory bodies.

Director Perioperative Services

CHI St. Luke's The Woodlands, Lakeside and Springwoods Village Hospital - The Woodlands, TX

August 2009 to November 2019

- Began as OR Manager with St. Luke's Lakeside Hospital in 2009, then promoted to OR Director of Lakeside Hospital in 2010.
- Instrumental in the design and development of Spring woods Village Hospital in 2016.
- OR Director role expanded to include St. Luke's The Woodlands Hospital in 2017, along with the addition of Spring woods Village Hospital OR Director upon its completion.

- Responsibilities included oversight of 15 departments across three campuses, PREOP, PACU, 15 OR suites, 4 Endoscopic suites, and 3 Sterile Processing Departments.
- Responsible for over 150+ FTE's, which included Clinical Staff, Managers, Coordinators, Educators, Scheduling Clerks, and Billing Clerks.
- Developed, implemented and monitored the short- and long-range financial plans for all three facilities.
- Reviewed and approved fiscal planning proposals for new programs, annual budgets, and long-term goals.
