6184107392

I have officially “retired”, but would like a prn job.

Work Experience

Staff Nurse

BJC HealthCare - Alton, IL

December 2015 to February 2021

Worked full time as a home health nurse, adult patients only. See previous home health duty description

Staff Nurse

VNA Health Care - Staunton, IL

September 2010 to 2014

Part time adult only patients, see previous description for Community memorial Hospital home health

Embezzlement forced the selling of this agency to another agency from Pennsylvania, at which time, I quit

Staff Nurse

Community Memorial Hospital - Staunton, IL

April 2002 to September 2010

Part time, Home Health Dept. Adult patients only, Oasis evals, setting up meds, giving injections, diabetic teaching, wound care, including wound vacs,

The hospital sold the home health department to VNA in 2010, at which time I continued with the new agency

RN Staff Nurse

Staunton community hospital - Staunton, IL

May 2003 to May 2008

PRN I covered some of the clinics: eye laser clinic that required multiple eye drops as ordered.

Urology clinic, requiring injections as ordered, obtaining urine specimens, spinning them down, inserting foleys or obtaining urine with in/out cath

Staff Nurse

Heritage Health Manor - Staunton, IL

April 2003 to July 2006

Agency nurse for local nursing home. Did everything from accu checks/giving insulin in a timely manner, to distributing all meds to patients in my assigned hall, doing all wound care as ordered, continual assessments of patients with complaints, reporting to appropriate Dr. Charting, documenting as appropriate

Staff Nurse

Staunton Community Hospital - Staunton, IL
May 2002 to March 2004

Worked very part time, as hospital was very small, and I was a prn, mostly did colonoscopies, cataracts, podiatry.

Staff surgery nurse

Jewish Hospital - St. Louis, MO
January 1989 to May 1992

Took a short break after getting out of AF, and having first child.
Started working at Jewish Hospital, before it became Barnes Jewish Hosp in St Louis, Mo. I primarily worked in general/vascular surgery, but had to cover all specialties, except cardiac, when on call.

Staff, surgery nurse, active duty AF

USAF, Scott AFB, IL - Scott AFB, IL
January 1985 to August 1987

I was active duty AF, had served as a surgery technician before obtaining my BSN, and receiving my commission as a nurse. Scott AFB was my first job as a surgery nurse, instead of a surgery tech.

Education

Bachelor of Science in Nursing

Univ of Texas Health Science Ctr San Antonio - San Antonio, TX
August 1982 to May 1984
