Work Experience

RN Clinical Coordinator

St. Paul Elder Services, Inc - Kaukauna, WI

April 2021 to Present

- Oversee daily clinical operations of a 90 bed RCAC and 24 bed CBRF. Attend and participate in monthly QAPI meetings.
- Assess tenants/residents with acute care needs. Process orders, draw labs, provide wound care, and administer medications per APNP/PA/MD order.
- Educate caregiving staff as needed.
- Quarterly psychotropic medication reviews, admit/discharge tenants/residents, and communicate with POA's regarding health status/medications of the resident.

Registered Nurse

Country Villa Assisted Living - Freedom, WI

August 2018 to April 2021

- Assess resident's in distress, contact MD regarding irregular clinical findings, oversee the caregiving staff, admit/discharge residents, and communicate with POA's regarding health status/medications of the resident.
- Update resident charts, monthly pain medication reviews, monthly PRN psychotropic medication reviews, dressing changes to pressure wounds/post-op sites, and drawing labs per MD order.
- Educate new caregiving staff regarding policies and procedures, colostomy care, foley catheter care, oxygen supplies, diabetics, mechanical lifts, and changes in condition.

Registered Nurse

Maxim Healthcare Services - Oshkosh, WI

June 2019 to December 2020

- Assess and treat patient's per protocol for emergent and non-emergent situations. Assist elderly and mentally disabled patients with diabetic checks and insulin administration. Educate patients on medication orders and progression of medical diagnoses if not treated properly. Communicate with physicians regarding abnormal assessment findings.
- Administer injections per MD order, assess and change dressings for post-op wounds, change PICC line dressings, draw labs per MD order, assist MD with procedures such as sutures, toenail removals, I&D's.
- Complete new intake and transfer paperwork. Chart live using PowerChart. Schedule future nursing and provider appointments per protocol.

Lead Certified Nursing Assistant/Med Tech

Country Villa Assisted Living - Freedom, WI

July 2015 to April 2018

Assist resident's with ADL's, obtain vital signs as needed, and collaborate with my care team if any issues arise. Administer medication to resident's per MD order, check medications into the MAR from the pharmacy, and restock the med cart as needed.
