Looking for an LPN position to broaden my experience

Work Experience

Licensed Practical Nurse

CONCORDIA VILLAGE - Springfield, IL

October 2020 to Present

Concordia is one big facility that has independent living, assisted living, memory care, long term care and short term care. I am currently PRN there and have worked in all sections of this facility except for independent living.

Assisted living duties: Monitoring Covid-19 vitals, signs and symptoms and reporting, setting up medication for residents for the week, assisting the CNA with care if needed. Dispensing medications that is not a supervision medication for resident, communication with DON, Charge nurse, doctor, and family if incident occurs, checking medication changes and ordering medications if needed. Charting and monitoring any changes, if resident is on antibiotics, and falls.

Memory Care:

Dispensing medications, assessments, communicating with doctors, writing orders, carrying out patient care plans, monitoring blood glucose levels, monitoring lab results, treatments to wounds, and using critical thinking.

Short term and long term care:

Dispensing medications, assessments, communicating with doctors, writing orders, carrying out patient care plans, monitoring blood glucose levels, monitoring lab results, assessment of continuous and bolus tube feedings, treatments to wounds, and using critical thinking.

Licensed Practical Nurse

Springfield Clinic - Springfield, IL

January 2017 to Present

I am currently working at Springfield Clinic, in the orthopedic department.

Duties include: communication between patient and doctor, sending in prescription medications to pharmacy, dealing with insurance to obtain approvals for medications, injections or MRIs or anything needing prior authorization. Preparing the room, obtaining vitals and weight along with starting notes for the doctor visit, setting up injections and prepping area for injection.
