## PROFESSIONAL EXPERIENCE

- **Student Nursing Assistant, Baptist Medical Center; Jackson, MS 2016-2017**

Practicing on a 20-bed progressive care unit with a 20-1 student nursing assistant to patient ratio, providing patient-centered care to patients recovering from CVA's and post-op neurosurgical procedures. Providing care when needed utilizing each individual's cultural, spiritual, and lingual needs and preferences.

- **Registered Nurse, University of Mississippi Medical Center; Jackson, MS 2017-Present**

Practicing on a 20-bed neuro-science intensive care unit with a 2:1 - 1:1 nurse to patient ratio, recovering patients immediately post-operative from procedures such as tumor resections, spinal cord stabilization, aneurysm repairs, and emergency craniotomy/craniectomy/evd placement. Also, provided patient centered care to patients requiring bedside procedures including tracheostomy placement, peg tube placement, evd placement, central line placement, intubation and extubation, chest tube placement, exploratory laparotomy, and bone marrow biopsy. Utilizing evidence-based practice and exceptional clinical judgement in all phases of patient care.
