Dedicated and compassionate Registered nurse with 5 years of experience. I am seeking a role as a supervisor where I can manage and support my team and assist them in a positive way.

Authorized to work in the US for any employer

Work Experience

Registered Nurse- LTC and Rehab

Rivers Bend Health and Rehab - Manitowoc, WI

December 2018 to Present

I work under the direct supervision of the ADON and DON to provide direct patient care while also providing direction and leadership to the CNA's and other floor staff. Daily patient care includes:

- *Utilizing strong assessment skills to determine necessary patient care.
- *Processing orders, providing treatments, and providing accurate patient documentation using PCC
- *Performing IV therapy and maintaining PICC lines
- *administering medication and treatments per physician orders
- *tracheostomy care and treatments including cough assist, PEG tube care and J-Tube care

Registered Nurse

Forefront Dermatology - Manitowoc, WI

July 2018 to September 2018

I worked in the call center answering questions for patients who have recently seen dermatology. I also assisted in scheduling appointments for follow-ups.

Registered Nurse- Rehab

Atrium Health Care - Two Rivers, WI

January 2018 to July 2018

I Worked under the DON and ADON to perform direct patient care while also providing leadership and support to other floor staff.

Registered Nurse- Rehab and LTC

Manitowoc Health Care Center - Manitowoc, WI

June 2016 to December 2017

I Worked under the DON and ADON to perform direct patient care and provided leadership and support to the other floor staff.
