Shontae L. Howard 813 Mapleside Drive Dayton, Ohio 45426 937-626-0928 Shontae.howard1978@amail.com

My mission and vision is to help and serve those that are underserved in our communities. Through proper care and education, I plan to be a reliable and trustworthy individual to my patients. I don't want to be perfect and untouchable, more like someone that can be spoken to. I want to be a voice for those who cannot speak.
