Work Experience

LPN (Licensed Practical Nurse)

Preferred Pediatric Home Health Care - Jacksonville, IL
November 2017 to Present

Working with pediatric children with medical needs. Trach and g-button care. Meds and feeding through g-tube.

LPN

Jacksonville School District - Jacksonville, IL
October 2016 to September 2019

I am a one on one nurse for a special needs child.

LPN

Accurate Home Care - Jacksonville, IL
September 2016 to November 2017

Working with pediatric children with medical needs. Trach and g-button care. Meds and feeding through g-tube.

LPN

Maxim Healthcare Services - Jacksonville, IL
October 2015 to October 2016

Taking care of special needs children with medical needs such as trachs and g-button care, meds and feedings through g-tube. Take care of child/children in the home as well as at school.

LPN

St. Joseph home - Springfield, IL
July 2011 to April 2016

Responsibilities

I pass medications, assist residents with daily ADL's, vitals, taking telephone orders, being advocate for residents.

Accomplishments

I am a people person and I'm very close to residents and family members. This helps family feel better that there loved one is being taken care of.

Skills Used

I work well with my whole team.
