

LINDSEY DAVIDSON, RN

PROFESSIONAL SUMMARY

Process-Driven House Supervisor with 6 years of experience. Provided strong leadership and high-quality nursing care for a variety of patients. Demonstrated success in building positive relationships with people of varied backgrounds.

WORK HISTORY

Nursing House Supervisor, 10/2018 to Current

Austin Oaks Hospital - Austin, TX

Provide clinical supervision over Nursing Services including effective utilization of the nursing process to provide quality patient care, maintain Nursing Standards of Practice, and provide effective fiscal management. Provide for patient and employee safety and well-being. Oversee implementation and coordination of patient treatment plans with utilization management, CMS, social services, and clinical team. Ensure incident reporting compliance with detail oriented documentation.

Charge Registered Nurse, 12/2016 to 01/2018

South Austin Medical Center Med-Surg/Telemetry - Austin, TX

Monitor and communicate telemetry data to staff nurses. Precept new nurses and create nurse-patient assignments. Coordinate intake of admissions from the ED to the unit. Lead and facilitate Code Blue and Rapid Responses on the unit. Train new nurses in proper techniques, care standards, operational procedures and safety protocols.

Pediatric Registered Nurse, 08/2015 to 11/2016

Encompass Home Health - Dallas/Austin, TX

Implementation and coordination of patient treatment plans encompassing individual medical needs and living situations. Communicate issues of concern involving patient safety and well-being to child welfare personnel and social services. Administer at-home health checks for children unable to visit medical offices due to health risks and living conditions.
