Work Experience

CNA/Caregiver

Abbey Senior Health - O'Fallon, MO

December 2018 to Present

I been a CNA over 20years. I enjoyed working with the residents, I usually work nights shift. last year I came to day shift. The Job I'm at right now, I'm working Part-time.I love working with the Patient and I enjoy my Job every Single day. I get along with my Co-worker . I take my Job very serious. I'm working on the Rehab floor so taking care of the Residents give me more experience with my Job and I get to work with the Physical therapist when they come into the facility. I love team work. It make your Job much easy for everyone. The environment is wonderful. My duties is the care of Patients and Safety. Charting, feeding, skin care, Performs dressing, Toileting, and communicating with your team members.

CNA - Certified Nursing Assistant

St. Peters Manor - Saint Peters, MO

July 2018 to Present

I was at St Peter Manor for a few years on night shift. I was at abbey also working PRN . The experience at St. Peter was great but I had to choose what was best for me. Abbey was paying more and at that time I had just move into a new home. St Peter was a great place to work.Everyone I work with was wonderful.
