Charge nurse on PMs and Nights. Med pass, treatments in LTC.

LPN (Licensed Practical Nurse)

OAKLAND MANOR NURSING HOME - Oakland, IA

November 2020 to May 2021

Shift nurse on floor. Passes meds, sees to vent, trach, psych, and geriatric residents. I do dressing changes, breathing treatments, wound care. Charting on PCC. Takes orders on phone from PCPs, enters orders into computer, print Mars, fax order requests to PCPs, draw labs, make appts for residents, communicates with family members.

LPN (Licensed Practical Nurse)

Trillium - Shenandoah, IA

November 2019 to October 2020

Staff nurse in Long Term Care. I oversee CNAs and Med Techs, I perform medication passes, charting, dressing changes, breathing treatments and tube feedings. I'm a caring compassionate nurse and I love my Residents! I work hard, am anxious to learn, and take direction well. I work the 2-10pm shift.

LPN (Licensed Practical Nurse)

MAXIM HEALTHCARE SERVICES, OMAHA - Omaha, NE

March 2018 to April 2020

9239 W. Center Dr. Ste.100 Omaha, NE 68124 402.399.8888.

March 2018 to present

For Maxim, I am a staff registry nurse to special needs pediatrics, adults, and high-risk infants. I accompany the children to school, and stay with them in the home, seeing to their medical needs. I have experience with trachs, ventilator dependent patients, G-Tube feeding, J-tube feedings, hospice, and geriatrics. I perform peri care during diaper changes; I perform GT and trach care, check Vital Signs, and monitor the client throughout the shift. I chart everything I have seen and done. I administer all

medications given per Doctor's orders and the 485 in the Maxim binder that is in the home. I report any changes to the RN on the case, and to the Maxim office, also the client's parent and MD, if appropriate.

LPN (Licensed Practical Nurse)

Azria Health Gretna - Gretna, NE
July 2019 to November 2019

Skilled Nursing in a 64 bed facility. Med passes, treatments, dressing changes, tube feeding in a Long Term Care facility.

Care Manager

C&S Staffing-Humana - Whitesboro, TX
November 2018 to May 2019

As a CM, I have referrals in the greater Omaha area that I visit, assess their medical needs, provide with resources through Humana approved sources, and enroll in Humana Benefit Programs.

Caffeina's Attendant

EMBASSY SUITES HOTEL AND CONVENTION CENTER - La Vista, NE
March 2015 to November 2016

LA VISTA
12529 W. Parkway La Vista, NE 68128 402.331.7400
March 2015-Nov 2016

In the coffee shop Caffeina's, I worked part time as a barista, serving coffee drinks, restocking food, and the incidentals and souvenirs at the hotel gift shop. I also worked at the complimentary Happy Hour 3 hrs a night, bussing tables and assisting hotel guests.

Private Caregiver

Ms. Brenda Worley - Fresno, CA
February 2014 to June 2014

Fresno, CA Feb. 2014 to June 2014

Mrs. Worley's parents were elderly, Mother had Dementia, and father had macular degeneration. I would cook, clean, socialize, and check on Mother's feet (she suffered from Gout.) This was until I moved to Iowa in June 2014.

Licensed Vocational Nurse

PRIVATE DUTY NURSING - Clovis, CA
June 2008 to October 2012

Cared for aging patient with Dementia/Alzheimer's, macular degeneration, limited ambulation, spinal stenosis, fall risk, from age 88 to age 92 at her death in Oct. 2012.

Duties included driving her to the store weekly, then doing her shopping, taking her to the Dr., and explaining to her what he said (she was VERY HOH., and he was Ukrainian.) doing her banking, housework, laundry, cooking, assist with ambulation, toileting, bathing, feeding, all ADLs.

LVN Staff Nurse

MAXIM HEALTHCARE SERVICES, OMAHA - Fresno, CA
June 2002 to June 2008

Special Needs pediatrics, adults, and high-risk infants. Hospice, Geriatrics.

Accompany the children to school to see to their medical needs on campus (trachs, ventilator dependent, G-tube feedings, dressing changes toileting, medication administration, etc.) In the home, I would often

do much the same with infants and the adults. Also saw to the care of geriatric and hospice clients, all according to the doctor's order and under the guidance of my charge nurse from Maxim.

Licensed Vocational Nurse

COMMUNITY REGIONAL MEDICAL CENTER - Fresno, CA
March 2008 to May 2008

ICU STEP-DOWN UNIT

In the unit, I charted vital signs, blood sugars after checking them, checked Hemoglobin and hematocrits, Intake, output, administered insulin and other medications as ordered, performed personal care, helped with ambulation, toileting, feeding, cleaned off trays, dressings and dressing changes, reported to doctors, after death care for a deceased person and their family, tracheostomy care, NG tube insertion and Re-insertions, catheter care, administered oxygen, anything that was required within my scope of practice, overseen by the RN on duty.

Licensed Vocational Nurse

COMMUNITY REGIONAL MEDICAL CENTER - Fresno, CA
2000 to 2001

Worked in Outpatient Dialysis unit (chronic)

Prepared machines for patients for the day, checked them for formalin clearance, set up the correct patient's artificial kidneys on machine, made sure all supplies were at the ready. Prepped patients for their treatments, put them on machines, monitored them during and after their treatments, did lab draws, injected EPO if ordered, administered medications as ordered by MD, initiated protocols for cramping and other problems with dialysis that occur with fluid overload. This was under the supervision of the RN on staff. After treatment, I would hold the sites to stop the bleeding, clean the machines and set up for the next shift, clean the artificial kidneys, and chart on the patients.

Assessments

Nursing Skills: Clinical Judgment — Proficient

February 2020

Assessing a patient's condition and implementing the appropriate medical intervention.

Full results: [Proficient](#)

Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field.

Additional Information

Speaks German, some Russian, some Spanish.

June 2014 to present :

The gap in employment is because it took 3 years to get my LPN transferred from CA to IA and I was unable to work in my field at that time.

I moved to IA from CA in June 2014. I finally had to work with Vocational Rehab to get my license
