## Additional Information

---

I am a very smart, talented, patient, intelligent young woman. I am a friendly people's person. Working with and around people is something I enjoy doing. I catch on quickly.

### Skills

Customer Service is something I have taken a liking to. Interacting with others and

providing satisfying service is a must with me. I am very good with cleaning, moving furniture and organizing. I am skilled in Personal Hygiene care, feeding, giving meds, walking and keeping company for kids and elders. I am calm under stress. Working with electronics and putting things together is something I enjoy doing.
