I can drive a forklift, I have ran a C.N.C machine, I can weld with mig, tig, flex core, I have welded with about every kind there is. I have done some maintenance as well as repair of machinery. I can read schematics, blueprints and am familiar with general regulations and safety procedures in the field of work in which I am applying. I know if given the opportunity I would be a great asset to your company.

Authorized to work in the US for any employer
