Stowed

Amazon Fulfillment Associates - St. Louis, MO

September 2019 to February 2020

Put thing in the right pod by size

Certified Nurse Assistant

St. Sophia Nursing Home - St. Louis, MO

May 2017 to September 2019

CNA helping residents with meals answering call lights passing water before shift and after shift and passing trays taking vital signs and getting residents dressed assisting to the toilet and making the residents feel like they were at home.

- Worked in a nursing home

CNA - Certified Nursing Assistant

Northview Nursing Home - St. Louis, MO

May 2015 to December 2015

My position as a CNA is to help residents with everyday things in life. I would sit and talk to the residents when I had time or when they needed me to help change them, bathe them take their vitals when needed but most of all gain their trust so they would feel comfortable with me.
