Work Experience

Agency CNA- Certified Nursing Assistant

Clipboard Health - St. Louis, MO

August 2021 to Present

I am a Certified Nursing Assistant, partnered with a Healthcare Staffing Agency as an Independent Contractor. Certified in BLS and First Aid with the American Heart Association. I uphold proper bedside manner, while traveling to multiple contracted Skilled Nursing Facilities, Assisted Living Homes, Hospitals and Memory Care Units. I assist my Residents and or Clients with ADL's. This consists of their daily needs; such as bathing, dressing, grooming, feeding, ambulation, colostomy care, catheter care, etc. as well as being a companion. Every shift I preform light housekeeping, complete laundry, and fulfill dietary needs. I am proficient in medical terminology as well as electronic charting. I preform skilled nursing tasks, within my scope of practice, under a Licensed RN.
