Education

LPN in Nursing

IVY Tech State College North Central - South Bend, IN

January 1995 to August 1996

Skills

- With 24 years of experience as a LPN nurse, including both acute care and long-term care. My nursing skills were developed and enhanced by being as a primary caregiver and coordinating the care of a unit. Working with IV's, medication administration, wound care monitoring and reporting lab values to MD's and listening to the clients' concerns.
- Pain Management
- Vital Signs
- Primary Care Experience
- Laboratory Experience
